# NON-SUPPORT OF DOMINATORS

# APOPHASIS

## "Apophatic Inquiry"

from the Greek ἀπόφασις,
from ἀποφάναι: *"To Say No"*

A method of logical reasoning employed in order to arrive at Knowledge by way of the exclusion of known negatives.

Describing what something ***is*** by explaining what it ***is not***.

**"Affirmation Through Negation."**

# Meet The Merovingian

**Morpheus**: You know why we are here.

**Merovingian**: I am a trafficker of information; I know everything I can. The question is: Do ***you*** know **WHY** you are here?

**Morpheus**: We are looking for the KeyMaker.

**Merovingian**: Oh yes, it is true; the KeyMaker, of course. But this is not a **Reason**; this is not a **WHY**. The KeyMaker himself, his very nature, is a means, not an end. And so, to look for him is to be looking for a means to do... ***what***?

**Neo**: You know the answer to that question.

**Merovingian**: But ***do you***? You ***think*** you do, but you **do not**. You are here because you were ***sent*** here, you were ***told*** to come here and then you ***obeyed***. It is, of course, the way of all things. You see, there is only one Constant, one Universal. It is the only real ***Truth***: **CAUSALITY**. Action, reaction; Cause, effect.

**Morpheus**: Everything begins with choice.

**Merovingian**: No! Wrong! Choice is an illusion created between those ***with Power*** and those ***without***... And this is the Nature of the Universe. We struggle against it, we fight to deny it; but it is, of course, pretend; it is a lie... **CAUSALITY. There is no escaping it**. We are forever slaves to it. Our only hope - our only peace - is to ***understand*** it, to understand the **WHY**... **WHY is the only real source of *Power*. Without it, you are *powerless*.** And this is how you come to me: **without WHY, without *Power*, another link in the chain...**

**Neo**: This isn't over.

**Merovingian**: Oh, yes it is. The KeyMaker is mine and I see no reason why I should give him up. No reason at all.

Direction of Manifestation

# Plane Of Causality:

The **WHY** that underlies
and precedes Manifestation

**ALL** Power to affect Change lies here,
thus this is where our Consciousness must "go."

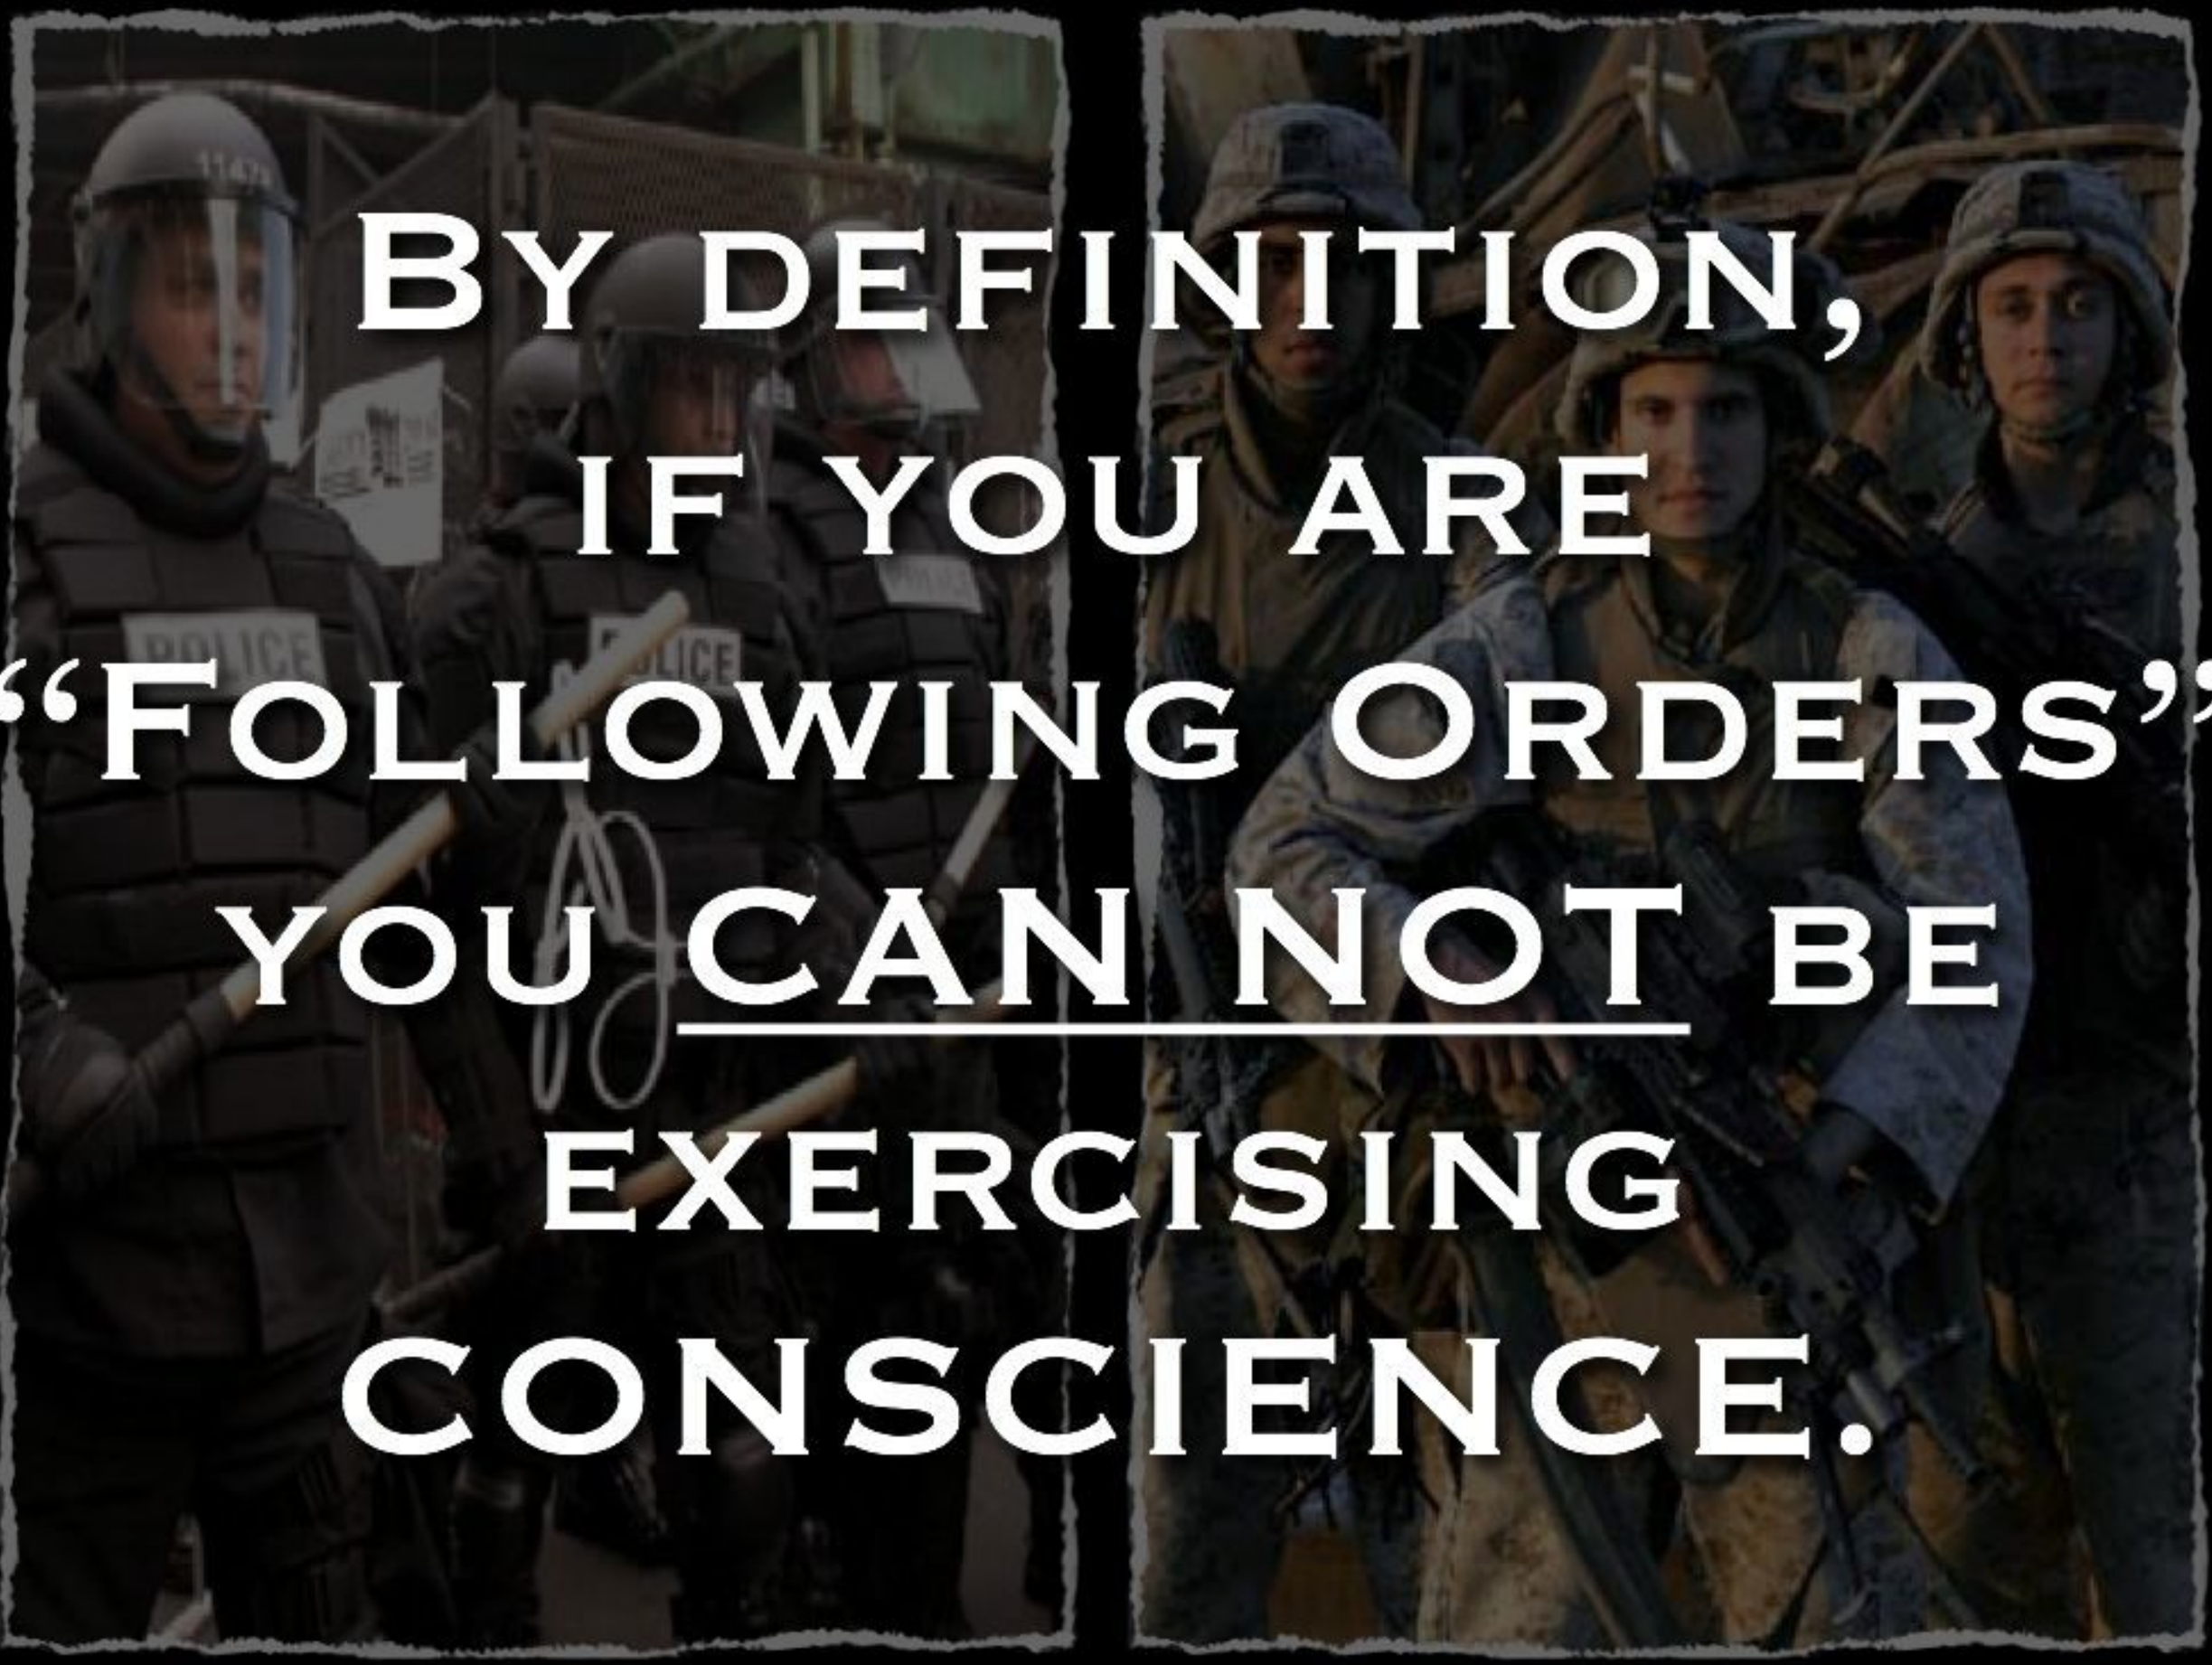
# Plane Of Effects:

Manifested Realities which formed
***because of*** their Causes

**NO** Power to affect Change lies here,
but this is where our Consciousness is "trapped."

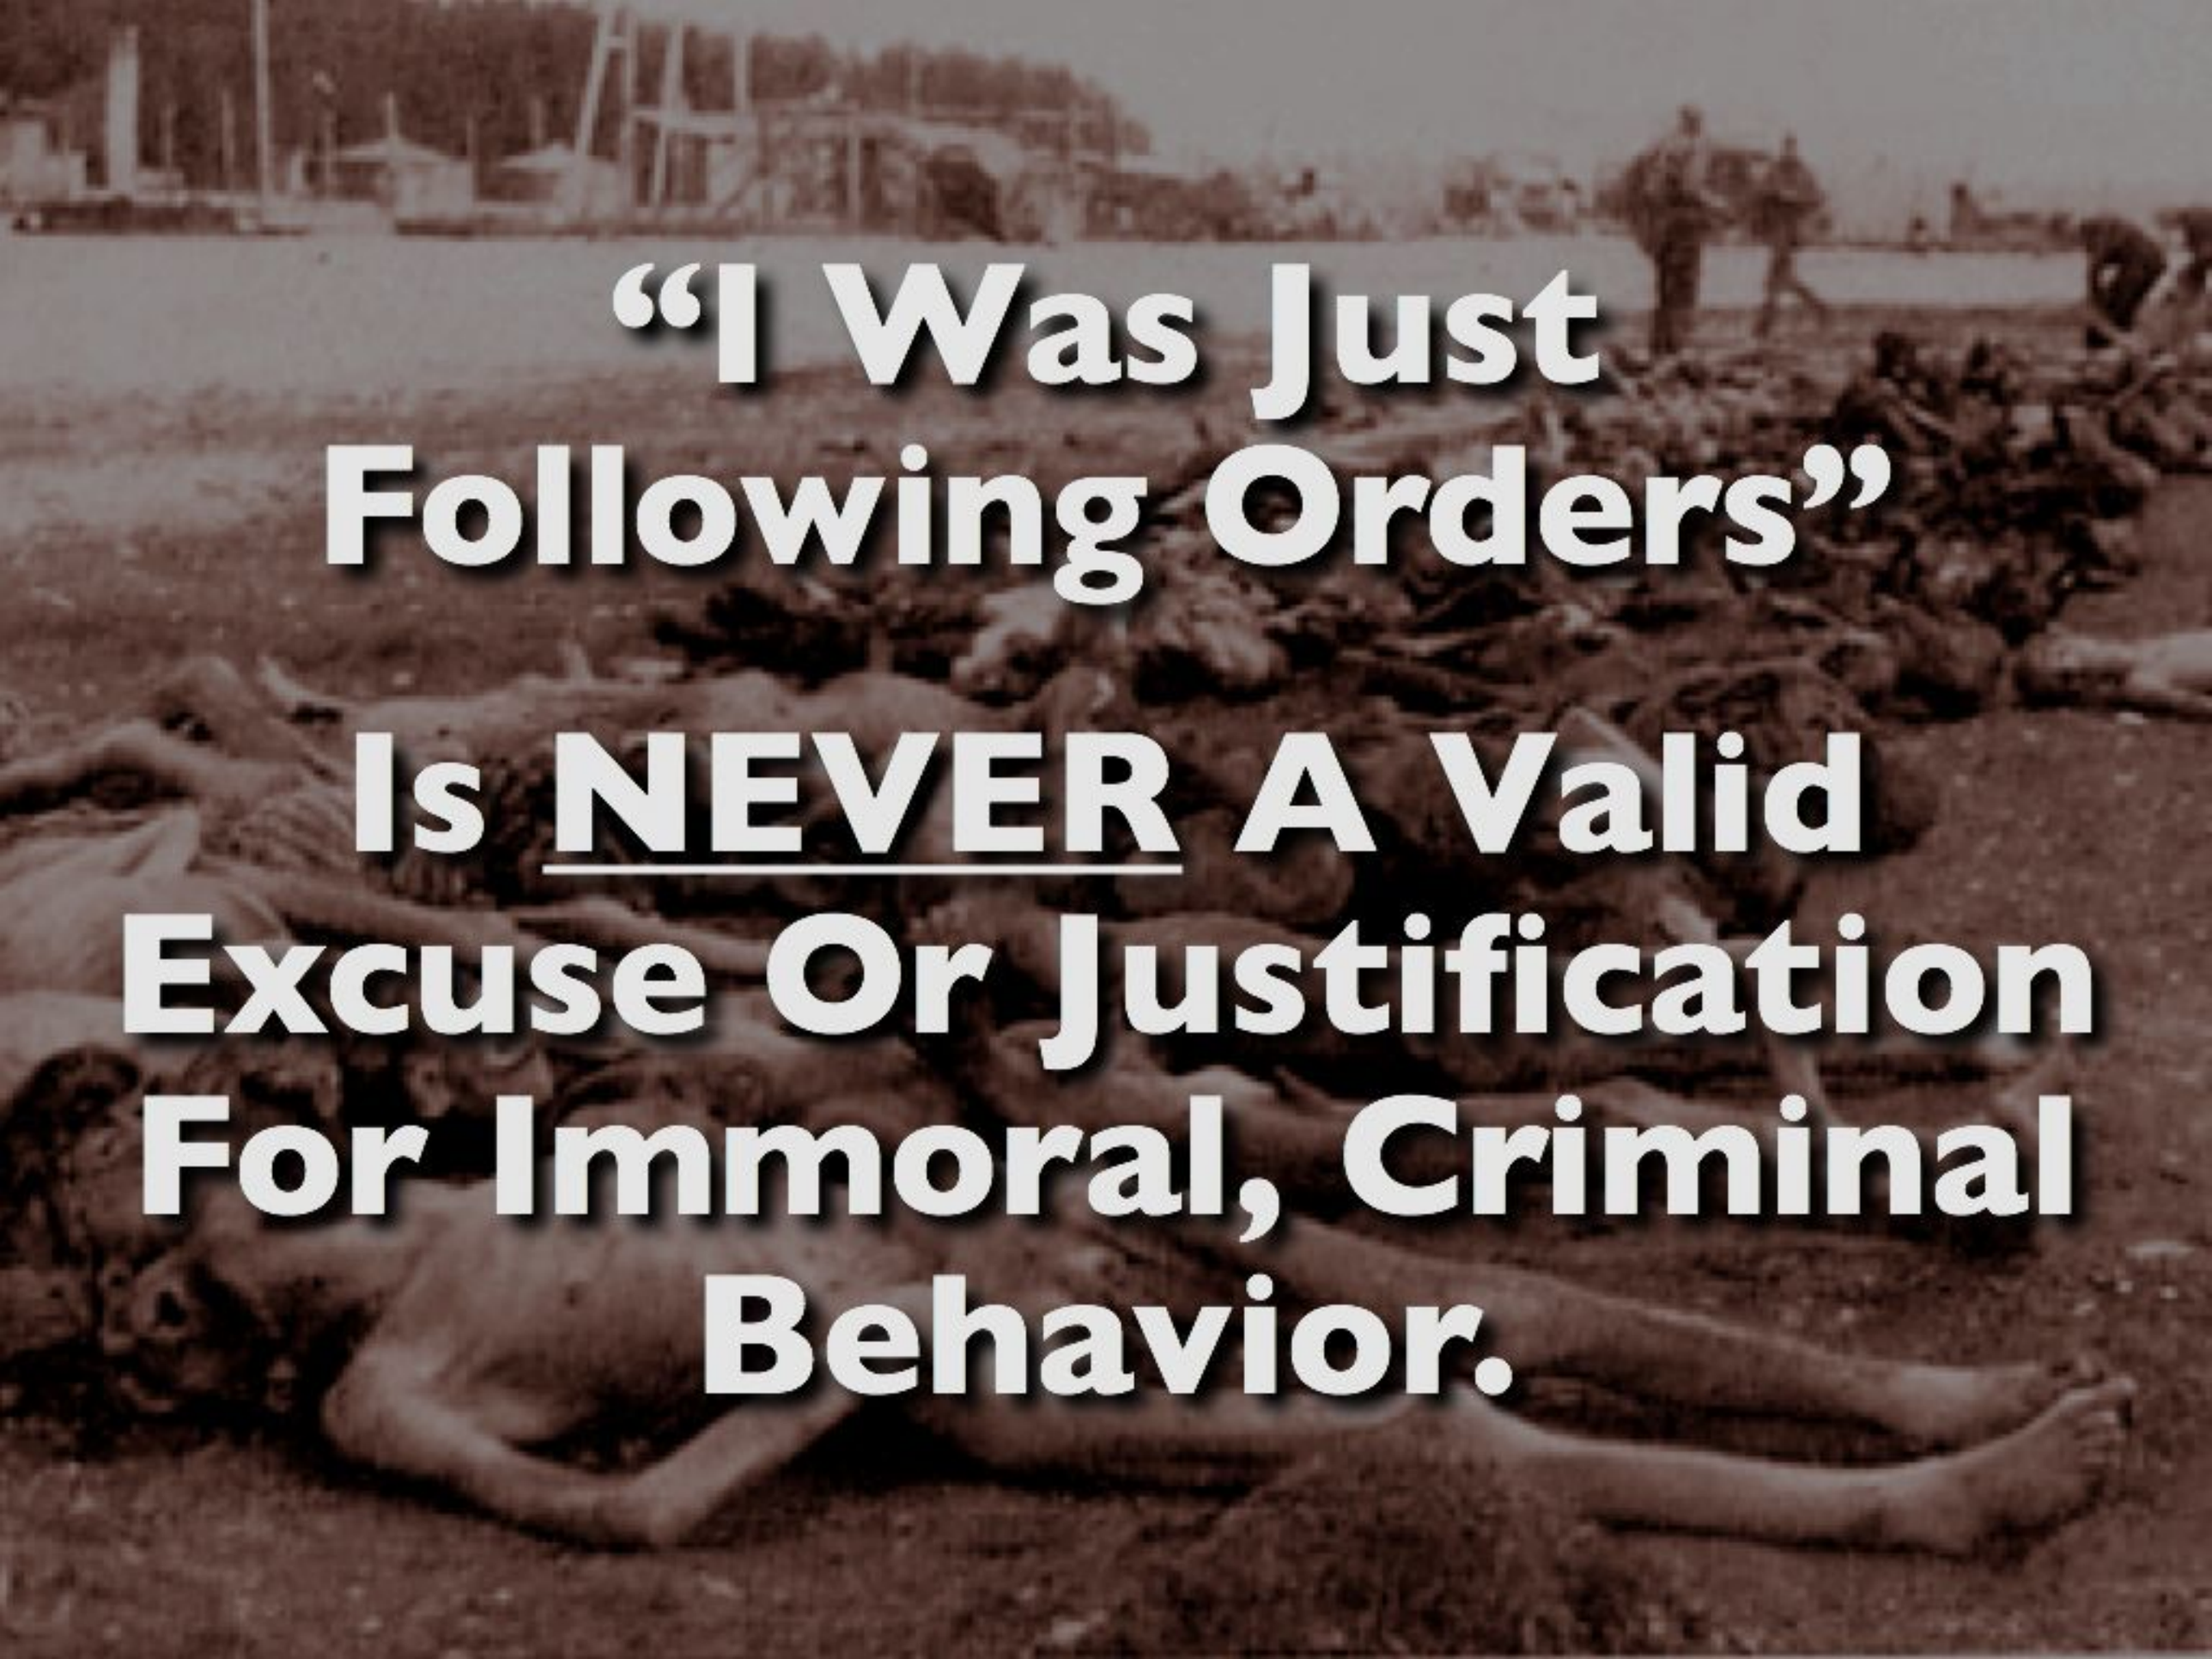
Direction Mind must take to learn **WHY** and begin to create on a conscious level

POLICE



By definition,
if you are
"Following Orders"
you can not be
exercising
conscience.

# The Result Of FOLLOWING ORDERS:



"I Was Just Following Orders"
Is NEVER A Valid Excuse Or Justification For Immoral, Criminal Behavior.

# Who Is More Morally Culpable:

## (At Fault; From Latin, Culpa: Fault, Blame)

# Order-Giver

## or

# Order-Follower?

# On The Extreme Nature Of Truth

"There are only two mistakes one can make on the Path to Truth:

***Not Starting***

and

***Not Going All The Way***."
